Re: Isac Munoz, et al. v. Sestwon Pizza d/b/a Domino's Pizza and Robert Cookston  
Docket No.: 2:15-cv-06833

Dear Magistrate Judge Tomlinson:

This office is legal counsel to the Defendants in the above-referenced matter. As the Court is aware, a settlement conference is currently scheduled for March 15, 2017 at 2:00 p.m. We respectfully write to request that this conference be rescheduled in light of the winter storm that is expected to effect the area on Tuesday and Wednesday. The undersigned will be traveling from Connecticut, which is under a winter storm warning. Additionally, a blizzard warning has been issued for Suffolk County, New York. The national weather service has advised under the blizzard warning not to travel, and to travel only in an emergency in areas under a winter storm warning. While weather reports indicate that the storm is expected to clear up during the day on Wednesday, interstate travel will likely be limited due to the time it will take to clear the roads after such a severe winter storm.

This is Defendants' first request for an adjournment of the settlement conference.

We have contacted counsel for the Plaintiffs, who have no objection to this request.

The Court's attention and understanding are greatly appreciated.

Sincerely,

*Robin B. Kallor*
